

Privacy Policy

Pioneer Power, LLC dba Pioneer Energy (“**Company**” or “**We**”) respect your privacy and are committed to protecting it through our compliance with this policy. This policy describes the types of information we may collect from you or that you may provide when you visit the website www.MyPioneerEnergy.com (our “**Website**”) and our practices for collecting, using, maintaining, protecting and disclosing that information.

This policy applies to information we collect:

- On this Website.
- In e-mail, text and other electronic messages between you and this Website.
- When you interact with our advertising and applications on third-party websites and services, if those applications or advertising include links to this policy.

Please read this policy carefully to understand our policies and practices regarding your information and how we will treat it. If you do not agree with our policies and practices, your choice is not to use our Website. By accessing or using this Website, you agree to this privacy policy. This policy may change from time to time. Your continued use of this Website after we make changes is deemed to be acceptance of those changes, so please check the policy periodically for updates.

Information We Collect About You and How We Collect It

We collect several types of information from and about users of our Website, including information:

- by which you may be personally identified, such as name, address, e-mail address, telephone number, date and place of birth, mother's maiden name, social security number, or driver's license number (“**personal information**”);
- that is about you but individually does not identify you, such as product and service related information, credit and financial information, characteristics of your home, your age, gender, or family size; and/or
- about your internet connection, the equipment you use to access our Website and usage details.

We collect this information:

- Directly from you when you provide it to us.
- Automatically as you navigate through the site. Information collected automatically may include usage details, IP addresses and information collected through cookies, web beacons, and other tracking technologies.

Information You Provide to Us.

The information we collect on or through our Website may include:

- Information that you provide by filling in forms on our Website. This includes information provided at the time of registering to use our Website, enrolling in an electricity plan, posting material or requesting customer support. We may also ask you for information when you enter a contest or promotion sponsored by us, and when you report a problem with our Website.
- Records and copies of your correspondence (including e-mail addresses), if you contact us.
- Your responses to surveys that we might ask you to complete for research purposes.
- Your search queries on the Website.

Information We Collect Through Automatic Data Collection Technologies.

As you navigate through and interact with our Website, we may use automatic data collection technologies to collect certain information about your equipment, browsing actions and patterns, including:

- Details of your visits to our Website, including traffic data, location data, logs, and other communication data and the resources that you access and use on the Website.
- Information about your computer and internet connection, including your IP address, operating system and browser type.

The information we collect automatically is statistical data and does not include personal information, but we may maintain it or associate it with personal information we collect in other ways or receive from third parties. It helps us to improve our Website and to deliver a better and more personalized service, including by enabling us to:

- Estimate our audience size and usage patterns.
- Store information about your preferences, allowing us to customize our Website according to your individual interests.
- Speed up your searches.
- Recognize you when you return to our Website.

The technologies we use for this automatic data collection may include:
